Kadamaditi350@gmail.com | 9307876691 |

## OBJECTIVE

Motivated IT student with hands-on experience in Java, Python, and web development. Seeking an entry-level position where I can apply my knowledge to real-world challenges while continuously enhancing skills and learn from experienced professionals.

## EDUCATION

### Bachelor of Engineering in Information Technology (Pursuing)

Mumbai University | 2022-2025

Current Semester Marks | Percentage: 71% (SEM VIII)

### Diploma in Computer Engineering

MSBTE | 2019-2022 | Percentage: 84.74%

### SSC (10th Grade)

New English School Oros | 2019 | Percentage: 87.40%

## ACADEMIC PROJECTS

### Home Interior Design Web Application (Ongoing)

- Developed an AI-powered interior design recommendation system using TensorFlow and Gradio.
- Integrated AI-driven room recommendations based on user preferences.

### Hospital Management System using JDBC

- Created tables and designed a menu-driven interface to manage patient records, doctor information, and appointments.
- Utilized JDBC for seamless interaction between Java and MySQL databases.

### Web Application for Booking Appointments For Diagnostics Tests

- Designed a web-based appointment booking system for diagnostic tests.
- Technologies used: Java, JDBC, JavaScript, HTML, and CSS with a focus on creating an intuitive user interface.

### Fitness Studio Website

- Build a UI using HTML, CSS, JS for user-friendly interface of website.
- Developed a Fitness System website offering personalized diet plans, exercise routines, and an e-commerce platform.

## INTERSHIPS

### 1. Mentorship Internship – Practo Technologies Pvt. Ltd.

Oct 2024

- Developed a web-based appointment booking system for diagnostics tests.
- Designed front-end using HTML, CSS, JavaScript, and implemented backend using Java & JDBC.
- Gained experience in real-world application development and software design.

## **CERTIFICATIONS AND TRAINING**

- **Advanced java and web programming (Mettl certified, AnudipFoundation)** – 120 Hrs, July 2024.
- **Machine learning and deep learning** – A. C. Patil college of engineering, Feb 2024.

## **TECHNICAL SKILLS**

- **Programming Languages:** Java, Python
- **Web Development:** HTML, CSS, JavaScript
- **Database & Backend:** MySQL, JDBC
- **Networking:** Basic networking knowledge
- **Tools & Technologies:** VS Code, Eclipse

## **EXTRACURRICULAR ACTIVITIES**

- Coordinator in sport events at college.
- Awarded 1<sup>st</sup> Rank in Badminton at district and division level.
- Participated in Elementary and Intermediate Drawing exam at school level.
